PaperLuxe®

20 years DIRECT PACK

PaperLuxe® high quality and stylish paper containers will set your food apart and provide a memorable dining experience for your guests. The natural kraft colored containers are sturdy, water and oil resistant, and made from renewable material. It's engineered to withstand handling, and prevent bending or collapsing under pressure during transportation. We also offer certified recyclable and compostable options, supporting sustainability, meeting local packaging material regulations, and appealing to eco-conscious customers.

- Natural kraft color paper containers, made from renewable material
- Sturdy design, made with high-quality materials to ensure strength and durability
- Customizable sizes and prints, also available in white, ideal for tailored branding solutions
- Suitable for hot and cold food
- Sleek and trendy look. Rectangular shapes for optimal shelf space
- BPA and PFAS free
- Certified compostable by BPI
- Certified recyclable (certified by Western Michigan University OCC-E testing protocol)
